Subject: Streamside Set Back

I am opposed the proposed ordinance for Streamside Set Back. I believe as property owners the vast majority value their access to water and do not abuse their proximity to it. You would be making an extremely difficult to monitor ordinance. Thus cost land owners more tax dollars unnecessarily. If this ordinance was in effect when I built my house I would not be able. I have lived in the Bitterroot for 38 years and do not feel this ordinance is necessary.
